## SCHOLARSHIP OPPORTUNITY

The Ninety-Nines and EAA will award a \$3000 Karen Johnson Solo Scholarship to provide a young woman (age 16-20 at any time during 2015 calendar year) with financial support for flight training through her first solo and beyond.

The application should include the name, address, email, cell phone, birthdate of the applicant along with a 500 word essay describing why the candidate wants to learn to fly, how she will apply her training, and her goals for the future.

Applications must be submitted by email by July 7th to [KJSoloScholarship@ninety-nines.org](mailto:KJSoloScholarship@ninety-nines.org). The scholarship will be awarded during the WomenVenture activities at EAA AirVenture Oshkosh on Wednesday July 22nd. The winner will be expected to provide a 400-1000 word essay to the scholarship committee after her solo, sharing her training experiences and goals she has met.

The scholarship is funded by the Ninety-Nines, Inc. with support from the Ventura County Chapter of the Ninety-Nines and the 2014 Lightspeed Aviation Foundation Pilots Choice Award. The scholarship funds must be used by September 1st. The scholarship honors the memory of Karen Johnson, a beloved member and chapter chair of the Ventura County Ninety-Nines, who perished in 2013 while flying frost control in Delano, California.
